- All required courses must be completed with a grade of C or better
- All courses taken as pre-requisites for other courses must be passed with a C or better
- Courses taken on a P/F basis will not count towards the minor
- A simple majority of the courses for the minor must be completed in residence at UMBC
- The elective course cannot be used to meet major requirements

Semester Legend: F=Fall, S=Spring, Z=Possible Summer (For indicative purposes only. Please check online course availability)

<sup>†</sup> MATH 150 or higher or placement in MATH151

<sup>[CR]</sup> Co-Requirement

<sup>+</sup> Requires previous programming experience or CMSC 104.

<sup>\*</sup> CMSC 201 or equivalent can be used, instead of CMSC 104, to meet the pre-requirement.

<sup>\*\*</sup> The sequence IS 147 + IS 247 can be used in place of CMSC 201 to satisfy the prerequisite for CMSC 202 and the co-requisite for CMSC 203 by Information System (IS) majors.
