¹ Elective credit must be taken at UMBC. BIOL 422L, 495, 497H, 499, 499H may not be used for the elective credit.

[†] BIOL303 and BIOL305 have occasionally been offered in summer session.

* A second major or an approved UMBC certificate program may be substituted for a minor

- All courses marked with a * must be completed with a grade of C or better. An overall C average or better must be obtained in all required science/math courses for graduation with a departmental degree.
- A majority of the required BIOL credits must be completed in residence at UMBC.
- F = Fall, S = Spring, Z = Summer. Courses marked with a "Z" have been taught in the Summer in recent years; *there is no guarantee that they will be offered every Summer.*
